# Profile

G.S.Flexibles is a **manufacturing unit** located at Faridabad (Haryana), 30 Km.s from **New Delhi-India. (An ISO 9001:2008 Certified Company)**

It was established in **1991**-with an objective to manufacture high quality **Interlock Hoses**, Stainless Steel Hoses & Metal Flexible Conduits. Subsequently we had set up **CNC Machine Shop** for Hose Fittings, High Precision Instrumentation **Fittings & Flanges** in Stainless Steel & Carbon Steel.

With due humility, we owe our success to our customers. It's their immense support, confidence & trust in us -which motivated us to add so many items to our product range.

Presently we manufacture products in following categories

## 1. **Interlock Hose, Stainless Steel Flexible Hose & Expansion Bellows**

Interlocked Hose, Stainless Steel Flexible Hose, Corrugated Hose & Expansion Bellows are used for transmission of fluid at high temperature and/or pressure. Typical applications include Generator Exhaust, Tar & Asphalt Hose. We provide complete Hose Assemblies. Also manufacture separates viz. Hose, Fittings & Flanges.

## 2. **Stainless Steel & Metal Flexible Conduits**

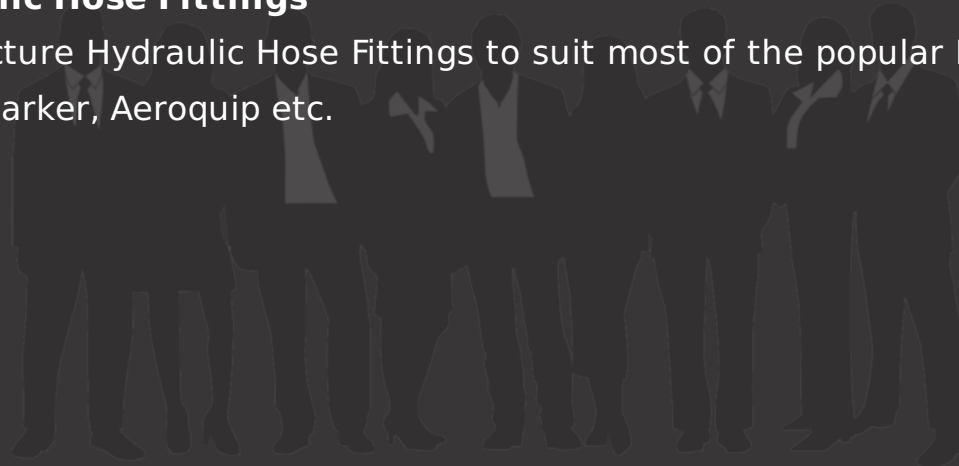

We manufacture SS Flexible Conduits for Process Measurement & Control Industry. Typical Applications include SS Flexi-armour for capillaries in Temperature Sensors & Pressure Gauges. Metal (Steel or aluminium) Flexible Conduits are used for less critical applications like wiring and control panels.

## 3. **SS Instrumentation Tube Fittings**

We manufacture high quality Stainless Steel Instrumentation Fittings- Nut, Union, Bushings, Adaptors and Cross.

## 4. **Hydraulic Hose Fittings**

We manufacture Hydraulic Hose Fittings to suit most of the popular Hose Brands like Gates, Parker, Aeroquip etc.
